Parents are reminded that holidays are not allowed during term time for students in Years 10-13 and only in exceptional circumstances for younger students. Permission for absence in such cases must be sought from the Principal or Assistant Principal - Head of Prep School as appropriate.

The academic term dates are published to parents of international students in advance in order to facilitate travel arrangements. Convenient air flights on the days prior to the end of term are not considered a reason for asking to leave the College early. In such cases, students should depart on the day set and stay with their guardian until the next convenient flight. This also applies to return flights.

*Whilst every attempt has been made to publish the dates accurately, the College reserves the right to change these dates should it be necessary to do so.*
