St Joseph's College

St Joseph's College prides itself on the quality of the teaching and pastoral care provided to each of its pupils, from EYFS across to Sixth Form, including Boarding. *The Governing body has ultimate responsibility for meeting all the College's regulatory requirements, which they delegate to the Principal, supported by the Senior Leadership team. In line with good practice and as part of the Governors' due diligence, the Board of Governors' reviews this policy annually.*

St Joseph's College, as an aware employer, is committed to safeguarding and promoting the well-being of children and young people as its number one priority. Robust recruitment, selection and induction procedures operate throughout the College and extend to organisations and services linked on its behalf.

Aims and Values

It is the aim of our College to encourage our pupils to become balanced, confident, considerate and fulfilled individuals within the community. As part of this aim, we help them to consider moral and spiritual values and to develop a spirit of service. Racial discrimination and inequality are contrary to our values and we therefore wish to promote equal opportunities and good race relations in all areas of school life. These include:

- The progress, attainment and assessment of pupils
- Behaviour, discipline and exclusion
- Pupils' personal development and pastoral care
- Teaching and learning
- Admission and attendance
- The curriculum
- Staff recruitment, promotion and professional development
- Partnership with parents, guardians and the community

Commitment to Racial Equality

We are committed to

- Actively tackling racial discrimination, and promoting equal opportunities and good race relations
- Encouraging, supporting, and helping all pupils and staff towards reaching their potential
- Complying with all aspects of race relations legislation
- Promoting values and knowledge which underpin race equality and respect

This commitment must be evident in practice and responsibility for this is as follows: Principal, Senior Leadership Team and the Deputy Head of Prep:

- Ensuring that the race equality policy is readily available and that governors, staff and pupils know about it
- Taking appropriate action if the policy is not followed by staff or pupils
- Ensuring that there is an active approach to promoting racial equality, particularly through assemblies, and in the PSHEE syllabus
- Recording racist incidents

RACE EQUALITY POLICY

Pastoral and Curriculum Managers, Form/Class and Subject Teachers:

- Ensuring that there is an active approach to promoting racial equality, particularly through assemblies, and in the PSHEE syllabus
- Challenging, reporting and recording racist incidents

All staff
