

PUPILS' PERSONAL EFFECTS INSURANCE SCHEME

SCHEME DETAILS AND KEYFACTS

A tailor made insurance scheme which provides personal effects insurance to cover a pupil's possessions during term time.

The school will normally be unable to accept responsibility for loss of or damage to the personal property of pupils. For this reason, the school has arranged an insurance policy under a group arrangement through which parents are able to cover the pupil's property as described below by paying a termly premium of £10 (inclusive of Insurance Premium Tax at 6%)

How the Scheme is Operated

This is an optional insurance for which the school provisionally adds the termly premium to the fee payer's account. FEE PAYERS MUST ADVISE THE SCHOOL IN ADVANCE OF THE BEGINNING OF THE TERM IF THEY DO NOT WANT THEIR CHILD INCLUDED IN THE SCHEME, otherwise cover will automatically commence.

Once a child is included in the scheme, participation can be discontinued for any child, from the start of any term, by the fee payer giving advance written notice to the school.

- Total sum insured any one loss £ 5,000
- Single item limit £ 2,000
- Pedal cycle limit £ 350
- Claims excess for each and every loss £ 25
- New for old cover for items less than one year old (subject to policy limits and proof of purchase).

The insurance will cover loss of or damage to the pupil's personal property during term time and on the pupil's direct journey to and from school at the beginning and end of each term. Cover during term time shall be full 24 hour anywhere within the geographical limits.

Cover will also apply on any official school trips during term time and official school trips during the holiday periods (subject to the Insured Person being included in the scheme during the previous term).

Additionally, cover will apply to property left on the school premises outside the official school term, with the permission of the school, provided such property is kept in a locked room, designated by the school, and that in the event of theft, there is evidence of violent and forcible entry to the designated room.

Geographical Limits

The United Kingdom including the Isle of Man and the Channel Islands, including transit between.

Overseas Extension

The cover will automatically extend to include worldwide protection when the Insured Person is travelling a) direct to and from school/college at the beginning of the term and the normal place of residence is overseas and b) in connection with an official school/college trip under the direct control of a member of the school/college staff.

How Claims are Calculated

All losses must be notified by the completion of the appropriate claim form. (see keyfacts).

It is important that where covered property is lost or stolen, and the total claim is for £1,000 or more, the loss or theft must be reported to the police and the Insured Person shall obtain a Crime Reference number in support of theft or Lost Property number in support of an accidental loss.

Where an item is damaged and capable of repair then the Insurer shall be entitled to elect to repair, replace or pay the cash value, where an item is lost, stolen or damaged beyond repair the Insurer shall be entitled to elect to replace the item or pay the cash value.

The replacement or cash value for items less than one year old will be the cost of a new replacement subject to policy limits, provided proof of purchase can be produced. Where proof of purchase is not available or the item is more than one year old the replacement or cash value will be up to the current replacement value less an adjustment for the item's age and depreciation.

The Insurers will pay an Insured Person up to a maximum of £25 in respect of the cost of the Insured Person obtaining an estimate for repair or replacement where a claim needs to be made.

Claims for computer applications and system software will be limited to £100 any one claim and subject to a valid claim for the device the software is installed on being settled under this insurance. Payment is subject to proof of purchase and the software not being recoverable from the original supplier or elsewhere.
